What You Will Learn

- **Experts:** We have assembled world experts on Lighthouses that you will interact with and enjoy.
- **Museum:** The venue is the newly expanded Bruce County Museum and Cultural Centre which has an extensive Marine Gallery. You will learn about setting up a Lighthouse Museum too!
- **Preservation:** Enjoy hearing the experiences of people who have done it. They have hands on experience with the issues of Lighthouse Preservation including government relations
- **Research:** Learn how to do research in the digital age about the history of the world's historic Lights and the families and Keepers who manned them.
- **Marketing:** Learn how to market your Light with focused marketing, advertising and photo-journalism.
- **History:** Learn about the lore and stories of the past and its charming stories and songs.
- **Volunteerism:** Find concrete steps that will allow you to get the job done.
- **Marine Archeology:** You will hear one of the world's great marine archaeologists describe the shipwrecks that abound around Lighthouses with particular emphasis on the amazing discoveries near Chantry Island Light.
- **Art:** You will meet and hear a top meteorologist describe his field as it relates to our maritime history. As a scientist and gifted artist he will connect to Lighthouse and Shipwrecks.

The Total Experience:

- **Lighthouses:** We have 4 Lighthouses within a radius of 2 miles and many more up the Bruce Coast. You can visit them on your stay in Southampton.
- **Art and History Live:** We will give you a guided tour of the Museum including the Marine Gallery and the fantastic Paul Kane Collection that includes paintings from his 1845 visit here in which he painted the aboriginal people before the impact of the European Culture.
- **Top Entertainment:** We will entertain you with the "Great Character of Canadian Music", Valdy who is a two time Juno award winner (Canada's Grammy) and multiple Composer of the Year.
